Wine of the vintage 2019
Chablis Grand Cru Bougros Côte Bouguerots

From Fèvre's tiny plot on the steepest part of Bougros, Côte de Bouguerots adds even more complexity and drive to a stunning site. There is such finesse here, allied with density on the palate, savoury characters and perfectly balanced acidity. A very mineral expression of Grand Cru Chablis. A great Grand Cru with a very long future ahead. Drink 2023 - 2035

Top quality
Chablis Grand Cru Les Clos

Les Clos needs no introduction. Fèvre's 2019 is a stunning combination of power, purity and elegance. The ripeness of 2019 comes through in the lovely stone fruit flavours, but the class of Les Clos is shown by the structure and acidity on the palate. Oak has been used, but is really not evident on the palate. Great drive here, with zesty citrus fruits, saline notes and a lingering mineral finish. Drink 2022 - 2031
